

La Wally

Wall Lee

Alfredo catalini

Act one landfill

Father/inventor of wall Lee cyborg spy model 007-9 has a jam with invited guest Johnny five to discuss heart ache songs for programmed arch enemy T 1000 the celebration continues and double 07-9 implants free will to feel an attack The T 1000 as main motivation purpose in life. the noise artist THX 1138 burst out some acid house and all the robots start raving until the arch enemy t 1000 shows up

T 1000 brags about killing John Connor for the fifth time line this week in different quantum leaps of travel which pisses off 007-9 who sympathizes with the human paradigm in a less violent way so double 07-9 orders his daughter Wall-lee to rip the wires out of the T1 thousand middle school mental metal skull but wall lee only starts crying which entitles Develo seven dash nine to call his daughter wall-Lee a malfunction siding against her own father. 007-9 breaks up the party sends T 1000 packing and disables wall lee to her room for repair all who is left is 007-9 and Johnny five having a pissing contest while crossing streams it's then 007-9 realizes Johnny five might settle in a co-dependent one-sided relationship with his invention malfunctioning daughter wall-lee. it will be nice concerning Johnny five being a real pushover. So 007-9 reconnects Wally and tells Wall-lee that she needs to get out of his life one way or the other so she might as well Marry Johnny five Wally politely says thank you but she needs to get back to nature so goes to the mountains bringing THX 1138 to conquest sexy space music liberation

Act too cyber station chat group

A year has passed. the father regretted his haste decision and left a fortune in his will for Wall-lee just before he recycled his parts for Logan's runner Charity. Wally enters a cyber station chat room with the pleasure model six who is the administrator there T1,000 and other terminators scaring people as they walk by Johnny five tries to remind of the good times that never existed and tries to work to her by wrapping that T 1000 and six already announced their engagement

Wall Lee starts crying and goes up to six to congratulate her T1000 jealous for attention interrupts wall Lee talking to six and tells her that her father would be back baby hasta la vista and Wally breaks out in a nervous panic and faints T1000 and 6 start a dance around the disabled wall Lee and all robots kiss the disabled wall lee with marking laughter watching the humiliation Johnny five records the activity in vows to disassemble T 1000 so then it will win the score and seal the one-sided deal for him and la wall lee a to go steady

Act III two hours later at the cyber station

Johnny five reconnects Wally Wally comes to see the destruction Johnny five cost Johnny five must have

went on a rampage and disassemble all of the terminators and their friends while the regrets that Johnny five destroyed everyone and tells him to short-circuit himself out of existence Johnny five gives in a row to his mother the snowblower and self-destructs now alone wall the takes it upon herself to reassemble the T1 thousand his fiancée six and the rest of the terminators she tells them all that six and T1000 belong together and apologize once more before leaving

Act for high in the mountains once again

Once again wall lee sought refuge on the mountain THX 1138 Sky-type chats her to come join the red light district 9 love resistance invasion orgy were mutants robots and aliens send a message of love but wall Lee sees it as just another illusion and does a diagnostic reboot thinking it's just a virus

When Wall lee comes to, she noticed T 1000 has arrived. T1000 tries to convince her of his love they reconcile with robot sex the Pistons heat up pumping fluid discharge multiple for days the constant fusion causes them out in to a wrecked into a volcano lava burst flow down the slope slowly the to the sand down the mountain but T1,000 gets melted by the volcano and wall the smiles and tells the legacy spirit of her father that the mission is complete and Rockets herself off a cliff into the abyss
